PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

Hanahan High School is home to a diverse population, serving students from the Huger, Wando, Cainhoy, Daniel Island, and Hanahan communities. In collaboration with the School Improvement Council, Hanahan High School's faculty and staff strive to make our school the best in the state.

We are proud of our accomplishments, including: an increase in SAT, Advanced Placement, and Exit Exam scores; an increase in the use of technology with associated classroom strategies; an increase in career-technical completers; and continued parent/community involvement.

We are entering the third year of the 4x4 semester block schedule. The College Prep program includes a variety of Advanced Placement, Honors, and Dual-Credit courses. The Tech Prep program is enhanced by six career technical majors offered on site. Our award-winning band and Army JROTC programs complement our course offerings. Resource and self-contained programs are offered for students with special needs.

HHS students excel academically. Approximately one million dollars in scholarships were awarded last year. Graduating seniors are accepted to prominent colleges and universities.

HHS students are community-oriented, participating in such efforts as blood drives, Meals for Seniors, Kids Voting and tutorial programs. Students may choose to become involved in as many as nineteen clubs/organizations and may participate in one or more of our twenty-one successful athletic teams.

Although currently undergoing a three-year construction project, we continue to add academic programs. HHS offers the district's only Pre-Engineering Academy. We address basic skills through Academic Learning Centers, Essential English, and Algebra and Technical Math taught in "stretch" formats. We continue to strive for a reduction in at-risk behaviors among our students. We also commit our financial resources and staff development to improve our students' writing skills. Hanahan High is known for its student-centered instructional program that provides a supportive environment in which students CAN and DO succeed.
